<h1>Virtual Art Gallery</h1>

<p>A virtual art gallery is an online space where artworks are displayed digitally, allowing people to explore and appreciate creativity from anywhere in the world. It provides an innovative platform for artists to showcase their paintings, sculptures, and digital designs without the limitations of physical space. Visitors can view, learn, and even interact with the artworks through a computer or mobile device. Virtual galleries not only make art more accessible but also inspire cultural exchange and creativity across global boundaries.
